

§ 239.39

the filing of this Form, has been subject to the continuous disclosure requirements of any securities commission or equivalent regulatory authority in Canada for a period of at least 36 calendar months immediately preceding the filing of this Form, and is currently in compliance with obligations arising from such listing and reporting; *provided, however*, that any such participating company shall not be required to meet such 36-month reporting requirement or 12-month listing requirement if other participating companies whose assets and gross revenues, respectively, would contribute at least 80 percent of the total assets and gross revenues from continuing operations of the successor registrant, as measured based on pro forma combination of the participating companies' most recently completed fiscal years, each meet such reporting and listing requirements; and

(3) The aggregate market value of the public float of the outstanding equity shares of each company participating in the business combination other than the successor registrant is (CN) \$75 million or more; *provided, however*, that any such participating company shall not be required to meet such public float requirement if other participating companies whose assets and gross revenues, respectively, would contribute at least 80 percent of the total assets and gross revenues from continuing operations of the successor registrant, as measured based on pro forma combination of the participating companies' most recently completed fiscal years, each meet such public float requirement; and, *provided further*, that such public float requirement shall be deemed satisfied in the case of a participating company whose equity shares were the subject of an exchange offer that was registered or would have been eligible for registration on Form F-8, Form F-10 or Form F-80, or a tender offer in connection with which Schedule 13E-4F or 14D-1F was filed or could have been filed, that terminated within the last twelve months, if the participating company would have satisfied such public float requirement immediately prior to commencement of such exchange or tender offer.

(i) In the case of a business combination, less than 25 percent of the class of

17 CFR Ch. II (4-1-16 Edition)

securities to be offered by the successor registrant shall be held by U.S. holders as if measured immediately after completion of the business combination.

Instructions: 1. For purposes of business combinations, the term "U.S. holder" shall mean any person whose address appears on the records of a participating company, any voting trustee, any depositary, any share transfer agent or any person acting in a similar capacity on behalf of a participating company as being located in the United States.

2. For purposes of business combinations, the calculation of U.S. holders shall be made by a participant as of the end of such participant's last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of such participant's preceding quarter.

(j) In the case of a business combination, the securities to be registered on this Form shall be offered to U.S. holders upon terms and conditions not less favorable than those offered to any other holder of the same class of such securities of the participating company.

(k) This Form shall not be used if the registrant or, in the case of an exchange offer, the issuer of the subject securities, is an investment company registered or required to be registered under the Investment Company Act of 1940.

(l) Registrants and any non-U.S. person acting as trustee with respect to the securities being registered shall each file a Form F-X (§ 239.42 of this chapter) with the Commission at the time of filing this Form.
